

# 2008 MEETING

# HISTORY OF SCIENCE SOCIETY & PHILOSOPHY OF SCIENCE ASSOCIATION

6-9 NOVEMBER  
PITTSBURGH, PA

Listen to a session on Climate Change Science, Environmental Challenges, and Cultural Anxiety.

Join the Instruments, Internet, and Innovation workshop in the History of Science Classroom.

Attend Harvard University's Steven Shapin's History of Science Society Distinguished Lecture.

Hear noted historian of biology Garland Allen's talk on 'Culling the Herd': Eugenics and the Conservation Movement in the U.S., 1890-1940.

Discover over 180 papers and presentations reflecting the most exciting work in all areas of philosophy of science

Mingle at the Gala PSA Presidential Reception on the top floor of the Regional Enterprise Tower (old Alcoa Building).

PHILOSOPHY  
OF  
SCIENCE  
ASSOCIATION  
SINCE 1975

Attend the Presidential Address from PSA President Larry Sklar (Carl G. Hempel & William K. Frankena Distinguished University Professor, University of Michigan).
