

Come Back to **CLAS**

University of Florida's Spring Weekend, April 8-10, 2005

Come back to CLAS and bring the family!

Visit open labs in film and media studies, zoology, and German language. Drop in on an open classrooms in astronomy or forensics. Meet zoology's alligators and attend "Chemical and Biological Weapons of Mass Destruction: Decontamination 101" by chemistry professor and chair David Richardson. Have breakfast with Dean Neil Sullivan (\$7.50 per person, RSVP for the breakfast on your registration form) and visit CLAS departments and centers' open houses.

Register Online: www.ufalumni.ufl.edu/Reunion/2005/Spring

Online Registration Deadline: March 15

Call 1-888-352-5866 to request a mail-in registration form.
