## OVGE with the Gran Telescopio Canarias

Thursday, November 9, 2006 5-9 p.m. at the Florida Museum of Natural History

## Traveling Through Time With the GTC!

Featuring public lectures "Monsters of the Deep" and "Looking Back to the Beginning of the Universe" at 7 p.m. by astronomers Stephen Eikenberry and Rafael Guzman

Come see a scale model of the GTC, make Astro Art, watch a planetarium show, go for a universe walk, and stay until the sun sets for star viewing.

Presented by the University of Florida Department of Astronomy, the Florida Museum of Natural History, the Graduate Astronomy Organization the University of Florida Student Government, and the Alachua Astronomy Club.
