RECOLOR

New China After Chairman Mao

A TALK BY **POK-CHI LAU**

OCTOBER 29 @ 6:15 PM
TURLINGTON LO11

Pok Chi Lau's photography of China began during the post-Chairman Mao Cultural Revolution in 1979 and extends through the economic reform of today. His talk reflects an ancient country hurtling from agriculture to manufacturing, from plowshares to modernity, in 25 years.

Mr. Lau's talk is presented in conjunction with the SITES exhibit, *Documenting China: Contemporary Photography and Social Change*.
